INTRODUCERE

Lucrarea de față este concepută cu intenția de a veni în sprijinul elevilor care se pregătesc pentru examenul de admitere la liceu în clasele de predare cu profil bilingv.

Este alcătuită dintr-o colecție de exercitii și este organizată, în 5 părți, fiecare parte având 4 teste. Testele conțin itemi cu alegere multiplă, exerciții de corectare, de reformulare, de formare a cuvintelor și de stabilire a formei corecte a verbelor din paranteză. La final, oferă un test model, asemănător testelor scrise din cadrul probei scrise a examenului.

În plus, culegerea pune la dispoziția utilizatorilor și cheia exercițiilor, astfel ea poate fi folosită de către elevi pentru studiu individual și, nu în ultimul rând, ca material didactic de către cadrele didactice îndrumătoare.

Alina

A. me study

B. me to study

C. me be studying

D. that I will study

14. I'd rather you _____ say a word to anyone about the incident.
